Date :

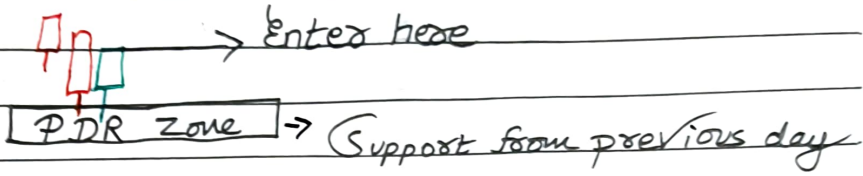

20250901-1 IRF

- IRF Should be entered at the resistance itself.

- Entry can either be break of Support/Resistance which ever happens first.
- 60+ body candle in the entry side.

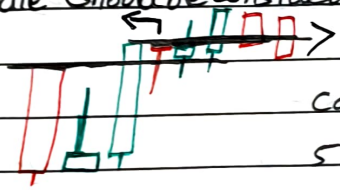

20250902-1 PDR

20250910-1 IRF.

- The first red candle only should be considered.

~~This~~ candle should be considered.

only break of first red candle which is outside the 5min range, only the red candles break of S/R should be entered.

20250911-1- IRF

- This should be an ORB trade.
- It is shown as IRF, ORB should activate Eg 30 as SL.

20250912-1 IRF

- This should be RF entry, IRF should not be taken as RF is activated.

M T W T F S S

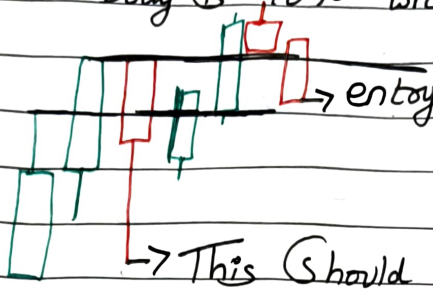

Date :

20250916-1 IRF

- IRF is taken, which is wrong.
- ORB should take place in this condition

20250917-1 IRF

- IRF should be taken after 5 candles at 6th candle, because the entry candle body is 40% Dick is 60%.

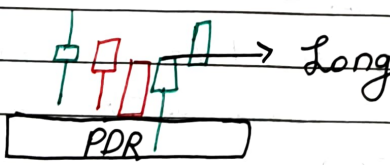

20250922-1 IRF

- Entry should have activated earlier, marking first red candles Support/Resist

20250929-1 IRF

- Late entry, red candle should be marked, 1st red candle.

20251006-1 PDR

- Enter in 1st green candle.

20251007-1 PDR

- Entry in 1st green candle.

20251027-1 IRF

- ORB should have activated, instead IRF is activated.
- IRF activation is also Wrong.

20251107-2 PDS.

- IRF should activate first which gives an SL.
- 2nd trade should be PDS.

★ PDR/PDS should activate only before " "

M T W T F S S

Date :

20251110-1 IRF

- Should be ignored as Tgt 1 is not above EMA, tgt 1 is less than 27.
- Should wait until EMA break.

20251112-1 IRF

- This day trading should be completly stopped as IRF is already activate & entry is below days low.

★ IRF should not activate at days low.

20251113-1 IRF

- First red candle only should be considered.

20251114-1 PDS.

- The IRF should be activated instead of PDS.
- PDS criteria is not satisfying.

20251114-2 PDS

- IRF should activate.
- Same day 2nd trade, ig it's glitch.

~~20251120-1~~ ~~IRF~~

- ~~IRF should be activated & Or PDR should be activated as it sat~~

20251121-1 IRF

- ORB should have activated, but IRF is activated.
